Constitutional Measure No. 1
(House Concurrent Resolution No. 3054, 2009 Session Laws, Ch. 641)

SECTION 1. A new section to article X of the Constitution of North Dakota is created and enacted as follows:

1. Thirty percent of total revenue derived from taxes on oil and gas production or extraction must be transferred by the state treasurer to a special fund in the state treasury known as the legacy fund. Not more than fifteen percent of the principal of the legacy fund may be expended during a biennium.

3. Statutory programs, in existence as a result of legislation enacted through 2009, providing for impact grants, direct revenue allocations to political subdivisions, and deposits in the oil and gas research fund must remain in effect but the legislative assembly may adjust statutory allocations for those purposes.
